Loving father to Rose-Marie (Bob) and Sonia (Vincent), cherished grand-father to Elisa (Philip), Emilia (Vincent), Monica and Karina (Francis), and great-grandfather to Arthur. He loved attending Corpus Christi, sitting in the front pew where he could sing with the choir. Ben's generous soul and giving spirit touched many and will never be forgotten. May he rest in the eternal peace of God.

Laudato Si' Retreat: An Introductory Immersion

Saturday, September 12, 2020 at 9 am -1 pm EDT

The goal of the Laudato Si' Retreat is to help participants embark in this journey of "ecological conversion", to transform the way we relate to our Creator, all of Creation and our most vulnerable brothers and sisters.

The four-hour retreat will include reflections on the encyclical, guided meditation, interactive exercises, time for personal reflection and journaling, and small group reflection. We will experience three moments inspired by the encyclical:

- Hear Creation's Song
- Hear Creation's Cry
- Answer Creation's Call

Food for Thought

The Mad-Room Formula

Jackie Joyner-Kersey, one of the world's best female athletes, who holds the world record in the heptathlon and is a three-time Olympic gold medalist, and her husband, Bobby, have a unique solution for discussing problems. Off the side of their house is an office which they've designated the "Mad Room." Whenever they have a serious disagreement, Bobby and Jackie go to the "Mad Room" to discuss it. Neither is allowed to leave that room until the matter is settled.

What a great idea! This couple is committed to making certain their conflicts do not smolder and get out of hand. They understand that Jesus was right in warning us that who is right is sometimes not as important as maintaining communication.

Prayer for Spiritual Communion

If you are unable to physically receive Holy Communion, if you are under quarantine or in isolation due to the pandemic, consider making a solemn recitation of this Prayer for Spiritual Communion by Saint Alphonsus Maria de Liguori.

Act of Spiritual Communion

A Prayer by St. Alphonsus Maria de Liguori

**My Jesus,
I believe that You are present
in the Most Holy Sacrament.
I love You above all things,
and I desire to receive You into my soul.**

**Since I cannot at this moment
receive You sacramentally,
come at least spiritually into my heart.
I embrace You as if You were already there
and unite myself wholly to You.**

Never permit me to be separated from You.

Amen.

Some information regarding vaccines - Webinar

LifeCanada asks us to consider all the ramifications of the race to develop a vaccine for the SARS-COV 2 Virus, since the means employed to develop vaccines may be far from ethical.

Companies are racing to be the first to produce an effective vaccine and governments consider whether to make inoculation mandatory. Meanwhile, LifeCanada asks an important question: "Are vaccines derived from fetal cell lines, and if so, what does this mean for people of conscience?"

For help with understanding this complex issue, join LifeCanada's webinar with Debi Vinnedge, the foremost authority on the use of aborted fetal cell lines in medical products and vaccines, **Tuesday, September 8, 7 pm Eastern**. Debi has been the Executive Director of Children of God for Life, a non-profit, pro-life organization since 1999. Its stated goal is ending the exploitation of our unborn children for profit. In 2014, she was awarded the Evangelium Vitae award from The Catholic Medical Association for her work at Children of God for Life.

Join LifeCanada for a fascinating discussion about vaccines, how they are derived, how fetal cell lines are obtained and in what vaccines fetal cell lines are used. And, learn what you can do to help stop the mandatory enforcement of vaccines in Canada! Register now for free and set a reminder in your calendar!

Season of Creation 2020: "Jubilee for the Earth"

Christians around the world are celebrating the Season of Creation, dedicated to prayer and action to protect our common home. The season is observed annually, and runs from **September 1, the Day of Prayer for Creation, and through to October 4, the Feast of St. Francis**, who is the patron saint of ecology in many traditions. The theme of this year's celebration is Jubilee for the Earth.

"This year, the COVID-19 pandemic revealed how deeply the globe is interconnected. We realised more than ever that we are not isolated from each other and that conditions related to human health and well-being are fragile. The impact of the pandemic forces us to take seriously the need for vigilance and the need for conditions of sustainable life throughout the earth. This is even more important when considering the environmental devastation and the threat of climate change."

Excerpt from joint statement issued by the presidents of The Council of Bishops' Conferences of Europe (CCEE) and the Conference of European Churches (CEC), H. Em. Card. Angelo Bagnasco, CCEE President, Rev. Christian Krieger, CEC President
